Program:

The program will consist of 2000 feet of Otto Perry's 16mm railroad movies, acquired by the Rocky Mountain Railroad Club in 1971. Five 400-foot reels will be spliced together, starting with pictures taken in 1963, and working back to some scenes from 1942. Both Kodachrome and black & white films are included, presenting Rio Grande trains, both standard and narrow gauge, Union Pacific, Burlington, D&SL, D&IM, RGS, B&O, Western Pacific, a few Pennsylvania Railroad scenes, and others.
