Cash Bar 6:00pm

Dinner 7:00pm

Bob Krieger, Union Pacific Steam Crew Engineer, will present the evening's program, "Union Pacific Steam and Diesel Locomotives". Bob will start with the beginning of the railroad up through the present day diesels. All classes of steam power will be shown and discussed. Other members of the Steam Crew will be present to give us anecdotes on present day steam operations and a lively time for questions after the show. This will be an excellent show. Bob was our engineer on the July 21 trip this year.

We will offer four meal choices this year as follows: VEGETARIAN, Shells Florentine - a delicious Ricotta cheese and spinach in jumbo shells, served with a light garlic cream sauce and topped with a ribbon of marinara. POULTRY, Princess Chicken - lightly breaded chicken with a stuffing of asparagus, topped with a white wine Bechamel sauce. SEAFOOD, Swordfish Parmesan - Swordfish steak lightly breaded in fresh Parmesan cheese, served with a lemon beurre sauce. BEEF, Roast Prime Rib of Beef - Aged to perfection, served with au jus and horseradish.

There will be plenty of door prizes so that everyone or every couple will get a prize.
