

Union Pacific Steam Trip, Engine 3985

Sunday, July 22, 2001

Denver to Cheyenne with bus return.

Trackside BBQ supper in Cheyenne.

The Union Pacific will provide a baggage car, five flat top coaches and two dome coaches. We have 340 seats to sell. We plan a 1:00 PM departure from Denver Union Station. Photo runbys are planned north of Carr. Our arrival in Cheyenne is not determined and could be late afternoon or early evening. The ticket price includes a hot BBQ supper served trackside upon arrival in Cheyenne before we return you to Denver Union Station.

This is an affordable mainline steam trip. We would love to sell this out to the club.

Ticket cost is \$94.50, dome seats are sold out. The club reservation deadline is May 14th. After that date tickets will be available to nonmembers.

The trip manager is Ed Gerlits.
